This website shall be read in conjunction with the financial information of the Group for previous financial years. This website may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Certain statements contained in this website may be statements of future expectations and other forward-looking statements and involve known and unknown risks, assumptions, uncertainties and other factors that may cause the actual results, performance and financial condition of the Group, or industry results, to be materially different from any future results, performance or financial condition, expressed or implied by such forward-looking statements. Forward-looking statements contained in this document regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future. There is no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. No assurance can be given that future events will occur, that projections will be achieved, or that the assumptions contained herein are correct. Actual results may differ materially from those projected and you should not place undue reliance on forward-looking statements, which speak only as of the date of this document.

This website may include certain measures of financial performance which are not measures of financial performance under Hong Kong Financial Reporting Standards (“HKFRS”) such as “EBITDA” or “EBITDA margin”. These measures may be presented because the Group believes they are useful measures to determine the Group's operating cash flow and historical ability to meet debt service and capital expenditure requirements,. However, they should not be considered as an alternative to cash flows from operating activities, a measure of liquidity or an alternative to net profit or indicators of the Group's operating performance on any other measures of performance derived in accordance with HKFRS. Because they are not HKFRS measures, they may not be comparable to similarly titled measures presented by other companies.
